

Freestyle Frames

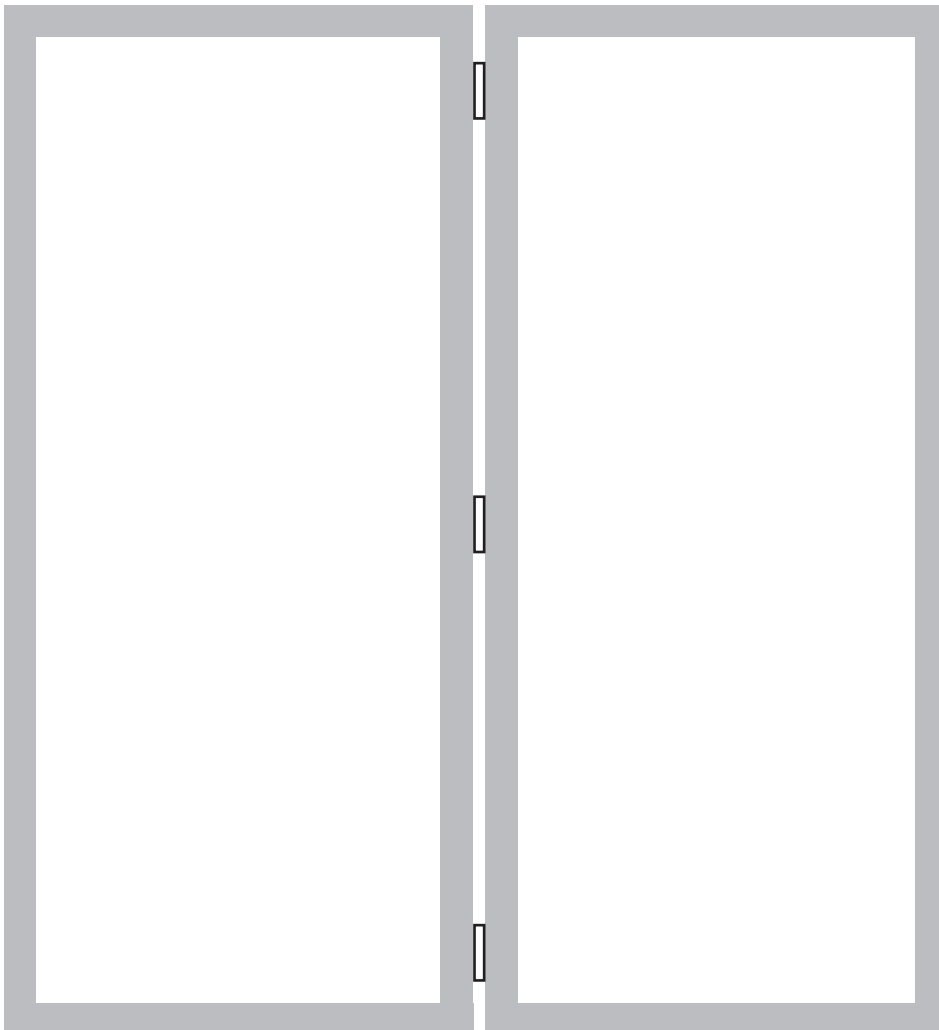

Our freestanding Freestyle displays can be designed by you to create the stand that best fulfills your display needs. The stands can be configured to combine:

- Poster Pockets - Multimedia Display Screens - Literature holders - Lightboxes - Shelving - Display cubes

Please sketch in your design ideas below, fill in your details (on page 2) and **fax back to: 01933 411906**

Freestyle Frames

There are some limitations to what can be placed into our Freestyle frames. We will endeavour to create as practical a stand as we can whilst keeping health & safety to the fore.

We will inform you of any limitations of your design at the time of quoting or CAD design.

Practical suggestions may also be offered as we have great experience in building and installing these stands within many different environments.

Double Frame - additional notes

(please include quantity and installation postcode if possible)
